REPORT & CIRCULARS ON GREEN INITIATIVE ACTIVITIES

## *Report on activities related to Green initiative and Disabled Friendly Campus*

Jhargram Raj College is always keen on investing efforts on maintaining the college campus environment friendly as well as disabled friendly to the fullest extent. On one hand the institution participates in various activities arranged by competent authorities e.g.- National Rural Institute Sustainability Grading (NRISG) by Mahatma Gandhi National Council of Rural Education, Govt. of India and on the other hand it also arranges different programmes such as 'Aranya saptaha' in the campus to inculcate the nature friendly values in its all stakeholders.

Apart from preparing a 'Green Campus' Policy, (Link:-[https://jrc.ac.in/iqac/working\\_folder/DOWNLOAD-G-0-5-6656E0844C570.pdf](https://jrc.ac.in/iqac/working_folder/DOWNLOAD-G-0-5-6656E0844C570.pdf)) the college has also undergone through different audit measures e.g.- 'Green' audit and 'Environment' audit (Link:- [https://jrc.ac.in/iqac/working\\_folder/DOWNLOAD-G-0-5-663DE5E2D48A5.pdf](https://jrc.ac.in/iqac/working_folder/DOWNLOAD-G-0-5-663DE5E2D48A5.pdf) & [https://jrc.ac.in/iqac/working\\_folder/DOWNLOAD-G-0-5-663DE559E7C32.pdf](https://jrc.ac.in/iqac/working_folder/DOWNLOAD-G-0-5-663DE559E7C32.pdf) ) to find out its 'status quo' by certifying agency. The recommendations were perused and implemented as much as possible.

Here is a glance of different measures and activities taken by the college time to time for maintenance of an environment friendly and disabled friendly ambience in the college:

-

- The College campus is landscaped with various trees and plants among which the Sal plantation inside the campus and the medicinal garden are noteworthy.
- A ramp guarded with railing is present at the front of arts building for hassle free transfer of sick, infirm & differently abled persons.
- In order to preserve the dignity of differently abled persons a special assisted toilet has been installed at the ground floor of the Science building.
- The college has a strict policy on using single use plastic and any form of tobacco inside the campus. Sign boards are installed at the key points of the college regarding this.

- In order to reduce carbon footprint, the college maintains restricted entry of automobiles inside the campus.
- The college also encourages on planting trees inside the campus through various programmes. A gesture of gifting and distributing saplings to the guests is also maintained in the institution.
- We also have an effective solid and chemical waste management system in our campus.
- Dedicated soak pits are present in the college premises as well as inside the hostels for recharging of groundwater through channelizing the rain water.
- It's also urged to use less electricity. The campus has installed led lighting and bulbs to cut down on energy usage. Additionally, certain signboards are affixed to strategic locations throughout the college's walls to serve as a constant reminder to the staff and students to conserve electricity wherever possible.
