**Webinar on “Chor: Ekti Prantik Choritrer Sondhane” on 09.06.2022**

**Report**

The History Department of Jhargram Raj College organised a one-day state-level webinar on a unique and fascinating topic, *Chor: Ekti Prantik Choritrer Sandhane*, on June 9, 2022, at 11 a.m. The lecture was delivered by Shri Prabir Mukhopadhyay, librarian at the Department of Anthropology, University of Calcutta. It provided a comprehensive exploration of the history of thieves in Bengal and their gradual marginalisation in 19th-century Bengali literature. The lecture also sought to locate the characters of thieves in the later days of Bengali popular consciousness. A lively discussion amongst the participants, guided by the expertise of the speaker, followed the talk. The number of online participants was 66.

**Seminar on “Kidnapping as a form of Labour Recruitment in Nineteenth-Century India”  
on 16.02.2023**

### Report

The Department of History, in collaboration with the IQAC, organised an invited lecture on *Kidnapping as a form of Labour Recruitment in Nineteenth-Century India* on Thursday, 16 February 2023, at 11.30 am, at the P.K. Sen Seminar Hall, Jhargram Raj College. Shri Sudipto Mitra, Doctoral Candidate, Department of History, Royal Holloway, University of London, spoke on the topic. The nineteenth century saw the formal abolition of Slavery from the face of the British Empire. At the same time, it also witnessed the proliferation of a system called ‘indentured labour’, through which thousands of Indian coolies were transported to the colonies of Fiji, Mauritius, the Caribbean, and South Africa, as substitutes for formerly enslaved people. These coolies were generally recruited by a group of middlemen, officially styled as arkatis, sardars, duffadars, etc. They would go into the villages and convince people to migrate to the distant colonies as plantation labourers. This convincing, however, would take the form of coercion in several instances. Sometimes, the potential labourers would be subjected to lucrative false promises, while sometimes, they would be kidnapped and shipped off abroad by sheer brute force. Homing in on one such case – the case of recruiter Buldeo from 1870s Allahabad – this talk sought to illustrate how kidnapping became a familiar mode of indentured labour recruitment in nineteenth-century India. In doing so, it strove to explore how colonial officials negotiated the fine line between consent and coercion and what, in their minds, constituted kidnapping. The fascinating presentation by the speaker was followed by an interactive session among the 121 participants.

**Seminar on “Future Prospects of learning Mathematics at Undergraduate Level” on 18.04.2023**

**Report**

**Title:** Future Prospects of Learning Mathematics at Undergraduate Level

**Organized by:** Department of Mathematics, Jhargram Raj College

**Date:** 18.04.2023

**Venue:** PK Sen Seminar Hall, Jhargram Raj College

**No. of participants:** 94

**Introduction:** The seminar, attended by 94 participants, was dedicated to exploring the future prospects of learning mathematics at the undergraduate level, aiming to shed light on the evolving landscape of mathematical education.

**Sessions:**

1. Keynote Speaker: Padma Shri Professor Bimal Kumar Roy, Professor of Applied Statistics Unit, ISI Kolkata, delivered an insightful keynote address. Professor Roy shared valuable perspectives on the future direction of mathematical education at the undergraduate level, considering emerging trends, technological advancements, and interdisciplinary applications.

**Conclusion:** The seminar provided an enriching platform for participants to gain insights into the future trajectory of learning mathematics at the undergraduate level, as elucidated by Padma Shri Professor Bimal Kumar Roy. Attendees left with a deeper understanding of the evolving landscape of mathematical education and its implications for future academic and professional pursuits. The seminar was very successful. Out of 444 registered participants, 280 appeared in the meeting. Among 280, 175 submitted feedback, and certificates were dispatched to these 175 participants. Overall response was very satisfactory which is reflected in the feedback form and recording.

**Seminar on “Gender Sensitization” on 29.05.2023**

**Report**

Promoting gender sensitization is crucial for maintaining a safe and non-violent environment within an institution, providing a conducive atmosphere for both students and employees. The college has a proactive strategy to raise awareness about 'Gender Sensitization' among students, teachers, and office staff. Consequently, the college develops an annual action plan for gender sensitization at the start of each academic session and strives to implement it to the best extent possible.

**OBJECTIVE**

A significant number of our college students hail from a tribal belt, with many being first-generation learners immersed in a patriarchal society. A considerable portion of these students lacks awareness about the concept of gender equity. Consequently, it falls upon the teachers to take on the responsibility of enlightening the students, particularly the girls, about gender sensitization.

**SIGNIFICANCE**

- i) Both students and non-teaching staff will acquire knowledge of gender sensitization, subsequently disseminating these messages to their families, neighbors, and beyond. This interconnected approach helps establish a network of awareness on this issue.
- ii) Furthermore, both teaching and non-teaching staff, along with students, can openly share their thoughts and challenges, fostering a collective learning environment. This sharing of experiences equips individuals with the knowledge to contribute positively to society.

**ACTION PLAN**

1. Observation of International Women's day
2. Organizing webinar/seminar on Gender sensitization and also on Ethics and Value education in collaboration with different departments
3. Organizing webinar/seminar on AIDS awareness
4. To solve/redress any problem/grievance's, as and when arises through ICC (Internal Compliance Cell) and Grievance Redressal Cell.

**SUMMARY OF THE ACTIVITY**

1. A seminar was organized on 29<sup>th</sup> May, 2022 on behalf of the Gender Sensitisation Cell, Jhargram Raj College in collaboration with the Cine Club, JRC and IQAC, JRC . The title of the Seminar was “ Nari o Prithibir Rano- Rakto- Safalata”. The speaker of the seminar was Smt. Oindrila Sen, Assistant Professor, Department of History,

Jhargram Raj College. She described the social situation of a lady between and after a war.

2. In the same day a movie show was arranged by the same in which the hindi movie “THAPPAD” was shown. This movie also told everyone about the modesty of a homemaker lady in our society.

#### EVALUATION

1. Seminars have sparked the students' interest in the issue of gender sensitization. The growing participation of students each year stands as compelling evidence of the success of this initiative.
2. The primary challenge lies in students initially feeling hesitant to discuss this sensitive issue in public forums. Additionally, as participants from patriarchal and socio-economically disadvantaged areas, the campaign faces resistance from some individuals with malicious intent. These individuals actively discourage their wards from participating. Moreover, as a Government college, our authority to monitor students 24X7 is limited, leading to the omission of many external issues from the scope of our activities.
