Aranyasaptaha (13.08.2018 and 14.08.2018)

Report

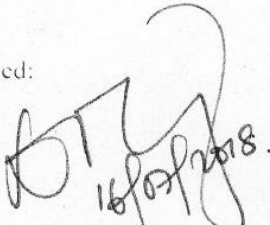

Special programmes were also organised this year. 'Aranyasaptaha' was observed by all four NSS Units on the 13th and 14th of August 2018. The NSS Units organised a District Level Inter-School Sit and Draw Competition on 13th August 2018. 50 students from ten schools in the Jhargram town area participated in the programme. The topic given to the students was, "Green Jhargram, Clean Jhargram" – an effort to inculcate environmental awareness through this activity. The results of the Competition were declared in the afternoon of the 13th of August, and the prizes were to be given the next day. On the 14th of August 2018, an Awareness Programme was conducted by all four NSS Units. A Seminar on Environmental Awareness was held in the college premises. A lecture session was conducted by Dr. Md. Bodrudozza Arefin of the Department of Botany, Jhargram Raj College. Dr. Arefin spoke about the importance of forests and the necessity of conserving these forests for the benefit of the environment. This was followed by a session conducted by Mr. Samir Majumdar (Additional Divisional Forest Officer, Jhargram. He conducted an interactive session with the students and volunteers of the college, and promised to help the students and volunteers in their efforts to conserve the environment. A Sapling Planting programme was conducted thereafter. The ADFO, Jhargram, the Officer-in-Charge, and NSS volunteers planted a few saplings in the college campus. A rally was then conducted by volunteers and students to spread awareness about Aranyasaptaha and the necessity for afforestation. The rally made its way from the college to the Central Bus Stand of Jhargram, before returning to the college premises.

World AIDS Day (01.12.2018)

Report

AIDS is a disease that is affecting millions of people, worldwide, and in India, the lack of awareness about AIDS is an important reason why the dreaded disease is spreading swiftly. The World Health Organisation (WHO) declares December 1st every year as 'World AIDS Day'; a day dedicated to spreading awareness regarding the disease.

World AIDS Day was observed on December 1st, 2018. The N.S.S. Units of Jhargram Raj College organised Special Lecture in to spread awareness regarding the disease and how it can be prevented. The target audience were the students of the college; a small section of the youth of India who belong to the age which is most vulnerable to being exposed to the disease. Students of all classes assembled in the seminar room to attend the special lecture. The Special Guest was Sri Avijit Roy, Counselor, ICDC, Jhargram Super Speciality Hospital, Jhargram. As he had addressed the students gathered earlier in the year, during the Special Winter Camp, Mr. Roy began by asking the students what they remembered from his previous lecture. He also asked them how far they had contributed to the cause of curbing the disease by reaching out to their neighbours and friends. Mr. Roy delivered his lecture and explained the practical aspects of the disease, and how it affects ordinary patients. He helped the students understand the difference between HIV and AIDS, and addressed all their questions and doubts. His lecture was followed by a question-answer session, where many students expressed their opinions and cleared their doubts. Mr. Roy's lecture covered the physiological aspects of the disease, as well as the sociological aspects, and the methods in which AIDS can be prevented. Mr. Roy encouraged the students to be proactive in spreading the message of AIDS. He then made a generous offer to personally work with the NSS volunteers and to help them to organize awareness programmes through populist means such as songs and street plays.

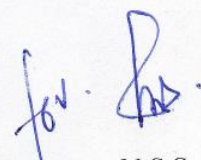

Thereafter, all the volunteers gathered together with the other students and assembled at the college grounds for a Rally. Enthusiastic volunteers, both boys and girls, of the N.S.S. led the rally from the front, carrying a banner, and placards bearing messages on AIDS awareness. Teachers of the college were also actively present and participated in the rally. The rally began from the college, and made its way down College Road to the Central Bus Stand of Jhargram, before returning to the college premises. Refreshments were served to the students on completion of the rally.

Attendance of Volunteers of NSS Unit I (15), II (14), III (17) and IV (15)

Swachh Bharat Summer Internship

Report

A special summer internship programme was conducted through the NSS units of Jhargram Raj College in order to promote Swachh Bharat Aviyam. The programme was so designed to create awareness among the people in the surrounding community. A good number of volunteers were participated in the event. Varieties of activity like door-to-door campaign, drain cleaning, survey, rally, waste collection, etc. were performed. The local people also responded and appreciated the events.

Door-to-door campaign by the NSS volunteers

Drain cleaning by the NSS volunteers

Rally by the NSS volunteers

Survey by the NSS volunteers

Waste collection by the NSS volunteers

Report

A Winter Special Camp was organised by all four NSS Units from the 7th to the 13th of March, 2019.

- i) **Campus Cleaning** was undertaken by the volunteers in an intensive manner. The volunteers cleaned all the corridors of the college, the classrooms, the library, the badminton court and the main grounds of the college.
- ii) **International Women's Day was observed** – Prof. Indrani Goswami of Krishnagar Govt. College held an interactive session with the students. She spoke about gender consciousness, gender as a social construct, how men and women are gendered in their upbringing. She spoke about the necessity to be sensitised to the idea of gender, and ended her lecture with a beautiful Rabindrasangeet.
- iii) **A Thalassaemia Awareness and Detection Camp was conducted** especially for the volunteers of the NSS on 11th March 2019. This Camp was conducted by Sri Subrata Chakraborty of the Paschim Medinipur Thalassaemia Prevention Society, Jhargram District Hospital. A total of 147 volunteers were screened for Thalassaemia. Reports were subsequently distributed to the students from the college.
- iv) **A friendly Cricket Match was held** between the staff and the students of the college in collaboration with the Department of Physical Education, Jhargram Raj College. NSS Volunteers had an experience of a 'day out' within the college campus, and some scope for physical activity.
- v) **A Yoga Camp was conducted** in the College. Mr. Aniruddha Mallik, Department of Physical Education, Seva Bharati Mahavidyalaya, conducted this camp with the help of his student who demonstrated some yoga exercises for everyday fitness. NSS Volunteers actively participated in this event and effortlessly emulated the demonstrator.
- vi) **A Literacy-Aid Distribution Programme was conducted at Khanakul Primary School**, the focal primary school of the adopted Villages of Antapati, Fulberia, Tiyakati. 87 students benefited from this programme. They received notebooks, pencils and erasers.
- vii) Mr. Sikandar Ansari of the Department of Political Science was requested by the NSS Units to conduct a **workshop on self-defence techniques**. Prof. Ansari began by explaining the importance of always being prepared to defend oneself in times of crisis. A black-belt in taekwondo, Prof. Ansari demonstrated some excellent moves and techniques. He then called some volunteers to the stage and helped them perfect some very basic moves of self-defence, to empower them with confidence and fearlessness in case they ever faced a situation of danger.

Report

Jangal Mahal Utsav was conducted by the Govt. of West Bengal to promote the local cultural heritage of the district and surrounding areas. It has a profound effect in creating awareness of the society and to feel proud the very own home culture, tradition, food, language, etc. The NSS volunteers of the Jhargram Raj College actively participated in this Jangal Mahal Utsav and reported to higher authority.

Aranyasaptaha (19th to 25th August, 2019)

Report

Special programmes were also organised this year. 'Aranyasaptaha' was observed by all four NSS Units from the 19th to the 25th of August 2019. As no funding had been provided by the university, the student volunteers were asked to organise their own 'green' activities, and asked to spread awareness in their own villages and communities on their own initiative. A sapling-planting programme was organised by the NSS Units on the 22nd of August 2019. 100 saplings were provided by the Forest Department on the request of the Officer-in-Charge. The volunteers, students of the college, the staff and teachers of the college took turns in planting the saplings in the areas specially cleared for the activity.

World AIDS Day (18.12.2019)

Report

This year, the observation of World AIDS Day could not take place on the 1st of December due to some unavoidable reasons. This is why, the awareness programme was held at a later date, on the 18th of December 2019, and extended into a general Health Awareness seminar. The N.S.S. Units of Jhargram Raj College organised a Special Lecture to spread awareness regarding the disease and how it can be prevented, to be followed by a lecture on health precautions to be taken as part of daily life. The Special lectures were delivered by Sri Avijit Roy, Counsellor, ICDC, Jhargram Super Speciality Hospital, Jhargram, and Sri Sreejit Ghosh, Assistant Professor, Department of Physiology, Jhargram Raj College. As Sri Avijit Roy is invited annually for awareness programmes on AIDS, his lectures address the students in a continuity. Mr. Roy began by reminding the students of the common causes of HIV, and the main differences between HIV and AIDS. This time, he spoke at length about his on-field experiences in conducting HIV awareness and detection camps. He mentioned how drug abuse through injections, and migratory workers, have been responsible for the spread of the disease, especially in this district. He encouraged students to come forward and ask him questions about the disease and the reasons why it spreads so rapidly. Several students mustered the courage to talk to him freely about the disease and asked him questions which he answered fluently.

Sri Sreejit Ghosh, Assistant Professor, Department of Physiology, was the next speaker. Sri Ghosh spoke to the students using audio-visual aids. His topic was "HIV/AIDS: An Inside View". He described the physiological aspects of HIV: how the virus impacts the body of the human being after entering the body. His presentation also included a brief video that demonstrated how the virus actually impacts the human body. The students appreciated the lecture, and two students spoke about how both lectures had made an impact on their lives.

Shorth term literacy programme

Report

The NSS Units I, III and IV of Jhargram Raj College decided to organise a short-term literacy programme in the adopted villages of Antapati, Fulberia and Tiyakati. The focal primary school of all these villages is Khanakul Primary School, where the NSS Units I, III and IV have been organizing extension activities in the past few years. Eighty seven students study in this school, and their areas of difficulty include speaking and writing in English, and thus the NSS Units decided to focus on enhancing the English abilities of the students of the primary school through special classes. The other objective of this programme was to distribute learning aids in order to provide a complete learning environment for the students, so that he/she is further motivated to learn in school.

In the first phase of this programme, nine volunteers visited the village with two programme officers of Unit I and III accompanying them. The volunteers spent some time interacting with the students of the school, in a bid to familiarize themselves with the students and their needs. Thereafter, the volunteers encouraged the students to recite some English rhymes that they were familiar with. The students could recite with some help from the volunteers. The students were then taught some basic phrases of English conversation by the volunteers and some greetings in English. Next, the volunteers distributed colouring books and crayons to the students of the school. The volunteers had an interactive session with the students, helping them identify the various objects in the colouring books, teaching them the English words for them, and helping them choose the right colours. Eighty-seven students benefited from this first phase of the programme.

Aranyasaptaha and Banmahotsav (During August, 2020)

Report

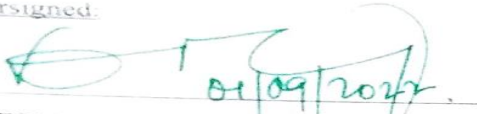

As the pandemic was ongoing in the country and the state government had not issued any instructions for resuming any activities in the regular mode, it was decided that the activities of the NSS Units would be continued in the online mode.

In the month of July, a Meeting of Programme Officers, NSS Units – I, II, III & IV, Jhargram Raj College was held to observe ARANYA SAPTAHA & BANMAHOTSAV 2020. Thereafter, an Online Quiz Competition on Aranya Saptaha & Banmahotsav 2020 was organised for creating general awareness about the importance of forests in our daily life and promote environmental action to protect nature and the planet Earth. This quiz was organised via a Google Form and it had been decided that each participant who scores 40% or more in the Online Quiz will get an E-Certificate of Appreciation for successful completion of the Online Quiz. The daily limit of participants was restricted to 100 and registration was completely free. 268 participants successfully participated in the quiz and were awarded e-certificates. As certain restrictions had been eased by the government, a small sapling planting activity was also organised by the NSS Units on the campus of Jhargram Raj College maintaining all necessary Covid-19 protocols as mandated by the state government. The Chief Guest of the programme was Prof. Amiya Kumar Panda, Hon'ble Vice Chancellor, Sadhu Ramchand Murmu University of Jhargram, and other authorities of the university attended the programme as guests.

In the month of August, from 20.08.2020, to 23.08.2020, an Intra College Online Paragraph Writing Competition on Vector Borne Disease" on the topic 'Dengue Awareness' was successfully organised by NSS Units – I, II, III & IV, Jhargram Raj College, for spreading general awareness about Vector Borne Diseases (like Dengue) among students and NSS volunteers of our college. The paragraphs were either written in Bengali or in English language and were restricted to 500 words, and the results of the same were declared on 31.08.2020. 75 students and volunteers of the college successfully participated in the competition.

Respected Sir,

With reference to your letter vide Memo No. VU/NSS/ /2020 dated 01.05.2020., we hereby submit the following report of NSS regarding Covid-19 awareness and prevention for your kind perusal.

1. All the Programme Officers of NSS Units- I, II, III and IV of our college have participated at the District level *Online Training and Orientation Programme on "Awareness and Prevention of Covid-19"* held on 21st April, 2020. All the 4 Programme Officers have been sensitising the volunteers of their respective units about basics of Covid 19, prevention measures, WHO protocols and government circulars from time to time.
2. A total of 48 NSS Volunteers have already been trained on "*Covid 19: Awareness and Prevention*" through WhatsApp groups formed for this purpose. They have also been instructed to install Diksha App and get themselves registered for IGOT training.
3. A total of 4 NSS Programme Officers and 48 volunteers have downloaded Aarogya Setu App for getting updates on Covid-19 and assessing their health on a regular basis.
4. To spread Covid-19 awareness, the NSS volunteers have prepared posters, written poems, composed songs and uploaded videos in social media, some of which have already been uploaded in the Official Facebook page and YouTube channel of NSS West Bengal.
5. The NSS volunteers have already sensitised their immediate family members, friends, relatives and local community about basics of Covid-19 and its prevention measures.
6. The NSS volunteers have been actively involved in spreading awareness about Covid-19 virus and preventive measures amongst their immediate family members, friends and relatives through posters, poems, songs and videos and are now motivated to serve the community in every possible way, as and when required.

Thanks and regards,

Yours faithfully,

Brahma Chaudhuri

Report

In the month of July, Vanamatosav was observed on 20th of July 2021 in the form of sapling planting within the college campus. The programme was attended by the Hon'ble Vice Chancellor of Sadhu Ramchand Murmu University of Jhargram, Prof. Amiya Kumar Panda and other dignitaries from the university. 100 saplings were planted by the guests and dignitaries and a few volunteers who reside locally in Jhargram. All Covid-19 protocols as mandated by the state government, were strictly maintained during the conduct of this programme.

NSS Day was observed on the 24th of September 2021 in the form of a 'One-Day State-Level Webinar' which was observed on the 24th of September 2021, at 3 pm. The topic of the Webinar was "Covid Prevention and the Role of Vaccination". The Chief Guest and Resource Person in this Webinar was Dr. Sandipan Ganguly, Senior Deputy Director, Scientist F, Head, Division of Parasitology, ICMR – National Institute of Cholera and Enteric Diseases, Department of Health Research (Govt. of India). The webinar was held on the Google Meet platform and was attended by 200 students and volunteers of the college.

A Webinar on AIDS Awareness was held on the 21st of January 2022. This is part of the regular programmes of the college, however, due to unavoidable reasons, the programme could not be held on World AIDS Day 2021 (December 1st 2021). The Resource person was Sri Abhijit Roy, Counsellor, ICDC, Jhargram District Super Speciality Hospital. As Sri Abhijit Roy works regularly with patients suffering from HIV/AIDS, he provided a clear picture of the predicaments and problems faced by these people and encouraged the students and volunteers to actively spread the message against HIV/AIDS. The webinar was held on the Google Meet platform and was attended by 195 students and volunteers.

In the month of March, the NSS Units of Jhargram Raj College were requested by NSS RD Kolkata to organise a programme as part of the Swachhata Action Plan (SAP) along with 5 other colleges of the district. A Seminar was held on the 8th of March 2022, and it was attended by 150 volunteers from Jhargram Raj College, Jhargram Raj College Girls' Wing, Lalgarh Government College, Seva Bharati Mahavidyalaya and Vivekananda Satabarshiki Mahavidyalaya. Additionally, teachers from these colleges also attended the seminar. Dr. Shantanu Chakraborty, Principal (WBSES), Singur Government College, delivered a lecture on the importance of practicing cleanliness – 'Swachhata' – in all its forms. A rally was thereafter held from the college to the Central Bus Terminus of Jhargram. Light refreshment and certificates were provided to all the participants of the seminar.

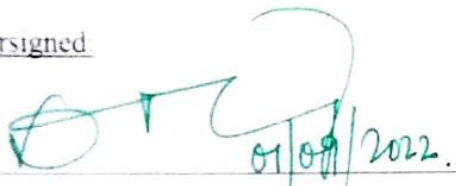

On the 15th of March 2022, a Blood Donation Camp was organised by NSS Units I, II, III and IV at Jhargram Raj College, in collaboration with the Jhargram Voluntary Blood Donors Association. The Camp was organised with the help of Gopiballavpur Multi Speciality Hospital, Gopiballavpur, Jhargram. A total of 39 donors (students and teachers) from the college donated blood. Proper arrangements were made in case the donors fell ill. It was ensured that the donors remained hydrated with the provision of oral rehydration solution.

A healthy refreshment was provided to all the donors and the volunteers who had attended and helped with the camp

On the 5th of June, an online Quiz was organised through a Google form on the occasion of World Environment Day to create awareness about the environment. A total of 483 participants took part in this quiz and were awarded e-certificates.

World Yoga Day was observed on the 21st of June 2022 at 8 am in collaboration with the Department of Physical Education. Professor Girija Basu instructed the volunteers on the benefits of Yoga and the volunteers practiced many poses under the guidance of Dolon Mondal, a student of the Department of Physical Education who is trained in Yoga. Teachers and students of the college also attended the programme. A light and healthy refreshment was provide thereafter on behalf of the Department of Physical Education.

World AIDS Day (01.12.2022)

Report

AIDS (Acquired Immune Deficiency Syndrome) is a disease caused by HIV (Human Immunodeficiency Virus) that damages the body's immune system making it weak to protect against any sickness or infection. AIDS is a highly contagious condition with a high fatality rate. The World Health Organisation (WHO) declares December 1st every year as 'World AIDS Day'; a day dedicated to spreading awareness regarding the disease.

In keeping with the tradition of the annual observation of AIDS Day by the NSS Units of the college, World AIDS Day 2022 was observed in Jhargram Raj College on 1st December 2022 by conducting a rally in the locality. A total of twenty-six volunteers participated in this rally. A seminar was conducted to spread awareness about the disease as HIV infection is currently incurable, but one can control it with good quality education about the disease, especially in rural areas. A total of thirty volunteers arrived at the college and were aided in their efforts by the Programme Officers of NSS Units I, II, III and IV of Jhargram Raj College. The target audience were the students of the college; a small section of the youth of India who belong to the age which is most vulnerable to being exposed to the disease. Students of all semesters assembled in the seminar room to attend the special lecture by Dr. Manojit Biswas, Assistant Chief Medical Officer of Health, Jhargram Health District, Jhargram. He delivered his speech and shared the practical condition of people living with HIV/AIDS in Jhargram District. He addressed the students gathered and explained the practical aspects of the disease, and how it affects ordinary patients and he also educated our students that how they can help in spreading awareness about the disease. The Keynote Speaker was Prof. (Dr.) Goutameswar Mazumdar, Medical Superintendent cum Vice-Principal, Jhargram Govt. Medical College & Hospital, Jhargram. He had an interactive session with students, and he helped the students to understand the difference between AIDS and HIV. He also requested students to help the society in curbing the disease by reaching out to their neighbours and friends and letting people know how to get help from government hospitals and health care systems. He gave his speech on how students play a crucial role in helping their families and village people to break the misconception most people have regarding AIDS and HIV disease. Dr. Nandalal Mal, Medical Officer & Psychiatrist, Jhargram Govt. Medical College & Hospital, Jhargram enlightened the students regarding Psychological Problems and how to overcome it.

Report

The NSS Units of Jhargram Raj College organised a Voluntary Blood Donation Camp on the 1st of March 2023, in collaboration with the IQAC, Jhargram Raj College, and with the support of Jhargram District Voluntary Blood Donors Forum in association with Jhargram Medical College.

An orientation programme for the aforesaid blood donation camp was held on 22nd February 2023 to sensitize students and create awareness about the importance of organising such camp. Arrangements were made as per the instructions of the aforesaid Forum in the Room CH-10, one of the larger classrooms of the college on the ground floor of the Science Building, was allocated for the purpose of the Camp. This room was cleaned and sanitized by the team of 15 NSS Volunteers from Units I, II, III & IV, and tables and benches were removed to accommodate the beds. At 10 am, as per the schedule, a team of seven staff from Jhargram Medical College arrived with their kits and equipment. The NSS Volunteers helped to arrange the beds and laid out the sheets. Floor mats were arranged to ensure that the donors could rest on the floor as per the protocol of the donation. The NSS Units made arrangements for glasses of ORS for all the donors, and a small but nutritious refreshment was also arranged for the donors.

From 10:30 a.m. the donors began to arrive. The donors included thirteen members of faculty and office staff of Jhargram Raj College, former students of the college as well as students and NSS volunteers. The donors were made to undergo a mandatory medical procedure – their weight was measured, their blood pressure was also recorded. The donors were made to fill out self-declaration forms which recorded the medical history and diseases (if any) of the donors. One potential donor was rejected as she was severely underweight and did not match the minimum criterion of 45kgs for female donors. The NSS Volunteers were in charge of providing ORS to the donors, then guiding the donors to the beds, and thereafter supporting them physically to the floor mats after the process of donation was complete. One donor felt light-headed after the donation procedure, but the prompt action of the medical staff along with the help of the volunteers ensured that she did not feel ill any longer.

Certificates to the donors were provided by the staff – these certificates are issued by the State Blood Transfusion Council, Swasthya Bhavan, Kolkata – and they were distributed by the NSS Units to the donors immediately after the donation process. The Camp was finally closed at 2:30 pm.

Arrangements were made for accommodating 60 donors – **a total of 54 donors were able to donate blood finally**. A Certificate of Appreciation was issued by the staff of the hospital to the NSS Units of Jhargram Raj College for organizing this Voluntary Blood Donation Camp.
