Formation of Entrepreneurship Development and Incubation Cell (EDIC)

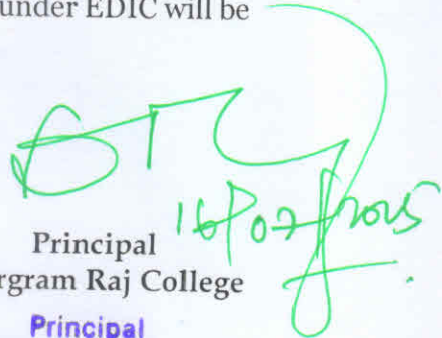

I am pleased to announce the formation of the **Entrepreneurship Development and Incubation Cell (EDIC)** of Jhargram Raj College with the following major objectives:

1. To offer training programmes to the students on various aspects of starting and successfully running a business venture.
2. To identify and support students with entrepreneurial talent, help them sharpen their business acumen and skills.
3. To promote innovative ideas among students, encourage them turn those ideas into successful business enterprises.
4. To contribute towards social and economic development of the society.

Dr. Alope Gupta, Assistant Professor in Commerce (WBES), will act as **the Coordinator of the Entrepreneurship Development and Incubation Cell (EDIC)** of this College.

Interested students, faculty members and stakeholders are encouraged to actively participate and contribute towards making this initiative a success.

Further details regarding upcoming activities and programmes under EDIC will be shared in due course.
